N of N transept door	#1	No inscriptions found						FLINT PEBBLE GRAVES, 1st approx 35ft south of north wall. Lots of debris found, clay around more orange than generally found	FLINT, BRICK			A few nine graves, three with yellow brick surrounds, one without, buried with some disruption but still in quite good condition. Because of the grassed area, the graves were covered again with turf after excavation as they were considered too problematic to maintain.
